HELP FOR HAITI

Last week, your response to Haiti was amazing! We have now gone over the \$9000 mark for Christianville, in Gressier, Haiti! This ministry that HOPE supports, in Haiti, was just two miles from the epicenter of the earthquake. The missionaries are all right, but they are in the midst of tremendous devastation. Our relief efforts will go through Christianville. This is a good place to give because every penny will go to needs in Haiti, and will be administered in the name of Christ. If you would like to give, make checks to “Hope Christian Church,” and note the amount for “Haiti,” on your offering check or envelope. As long as checks come in, they will be passed on immediately to Christianville.

NIGHT OF WORSHIP

Next Wednesday (1/27), we will cancel our regular WELL evening programs, for a time of worship and prayer, dedicated to remembering our brothers and sisters in Haiti. The coffee shop will also be open before and after the service, for fellowship. If you can bring a couple dozen cookies for the evening, please sign the list at the HOPE center.

FINANCIAL PEACE UNIVERSITY

Hope will be offering FPU Sunday nights starting February 21st from 5-7. The cost of the class is \$93, but don't let that be the reason you miss this opportunity! We have some options to help with the finances.

What is Financial Peace University?

FPU is the most important step to changing your financial future. It is your Total Money Makeover Program. It takes the knowledge from God and turns it into real action in our lives through a step-by-step process taught by best-selling author and financial counselor Dave Ramsey.

FPU is a 13-week life-changing program that empowers and teaches you how to make the right money decisions to achieve your financial goals and God's plan for your life. The course includes practical lessons on eliminating debt, building wealth, giving like never before, and much, much more!

Who is Financial Peace University For?

It's for EVERYONE!...from the financially secure to the financially distressed. Over 650,000 families and individuals have attended Financial Peace University.

Applying God's Word radically changes your life. On average, FPU graduates have paid off over \$5,300 in debt and saved \$2,700 during the 91-day program!
